Chat from the Chair:

September 9, 2006

Dear members of ASQ Section 904:

It is my honor to serve as your Chair for the 2007-2008 season. Our Leadership Committee is ready to serve your needs as quality professionals with a very exciting program. They include Allen Fuller, Bob Arnold, Rhonda Goss, Bob Cooper, Mike McDonald and Vicki Storer. Any member is welcome to serve on the Leadership Committee. We have meetings on the fourth Thursday of the month, except November and December. Our regular meetings are held on the third Wednesday of each month at the Sirloin stockade on McGalliard Road in Muncie. Please check this newsletter for exceptions.

We had a very informative and interesting series of technical talks and pre-clinics last year. Our pre-clinic subjects dealt with the six-sigma process. This upcoming year, these clinics will present the seven quality tools required by quality professionals. These talks hopefully will give our members an outline of skills required to use these tools and some practical applications.

Several interesting technical talks are also on the agenda. These include Quality in Health Care, Layered Audits and Food Service Quality, to name a few. If you have a suggestion for a talk, please write in on the survey form that you receive at each meeting.

In May of this year we presented the first Halmond L. Parks scholarship to Joshua Givens, who has just entered Purdue University. His essay demonstrated an excellent understanding of how quality affects one's personal life, in addition to the work place. We will be giving another scholarship next May and are soliciting contributions to the fund.

Again, I welcome all members of Section 904 to our monthly meetings. Hope to see you there!

Henry J. Peresie Ph. D.
