Chat from the Chair:

September 6, 2011

I hope that you had a great summer and were able to get away some time for a relaxing vacation. My wife and I traveled to Utah to visit my daughter's family. Her husband was recently transferred from Richmond, Virginia. Many ASQ members have had to move across country for a new job and adjust to a new area.

On our way, we stopped at the Arboretum in St. Louis, Old Town in Albuquerque along Old Route 66, the Painted Desert and Petrified Forest in Arizona and The Grand Canyon. The trip was long but well worth it.

What does this have to do with ASQ? We were able to see how these tourist attractions were operated and witnessed quality principles in action. All were a lesson in giving the customer (the tourist) the best that they could offer.

At ASQ0904, we hope to provide you, our customers, with tools that help you apply quality principles in your lives and workplaces. Our program this year is still under development but we are kicking off with a talk by our regional director, Dan Templeton, on September 21. We have a tour of Mursix, in the industrial park near I69, scheduled for December. Check this newsletter for additional details.

Don't forget to take advantage of all of the opportunities ASQ has to offer. You can find them at www.asq.org or www.asq904.org.

Our Leadership Team looks forward to serving you in the coming year. Please let us know your thoughts and ideas on how we can do this better.

Thanks for your continued membership in ASQ and Section 904.

Henry J. Peresie, Ph. D.
