Chat from the Chair:

January 6, 2008

Happy New Year to all quality professionals in East Central Indiana. I would especially like to extend a warm welcome to the new members of ASQ Section 904.

We had some excellent speakers at our technical meetings last fall and will continue the same in 2008. Our September speaker gave an enlightening presentation of the Quality System in place at Ball Memorial Hospital. It rivals that of many established industries and I'm sure many of us learned new ways to improve the programs in which we participate. In October, we started our series of talks on the five core tools required by the automotive Industry Action Group for quality auditors. We covered measurement systems analysis in October and FMEA in November. We also learned about the auditing system newly established at 3M in Hartford City. PPAP, APQP and SPC will be discussed in our spring pre-clinics along with more great technical presentations.

Our tour of the Anderson campus of Purdue University's College of Technology in December was sparsely attended but well worth the trip. I was surprised at the number of high quality programs that are offered at that campus. We hope to have some technology students present projects summaries at one of our meetings this spring.

We are kicking off our scholarship program for 2008. Check our web site for an application. Donations are needed and we hope to have a fund raising event this year. Also, we will be electing a new slate of officers for the 2008-2009 term.

I hope to see many more of you at our spring meetings. Have a Quality 2008!

Henry J. Peresie Ph. D.

ASQ Section 0904 Scholarship:

The Leadership Committee of Section 0904 is implementing a scholarship in the name of Halmond Parks, the founder and first Chair of Section 0904 in 1949. The scholarship will be in the amount of \$500.00 for a graduating high school senior from the Section 0904 geographic region. I would like to ask all members to consider donating \$5.00 to the scholarship fund. If every member of the section donates \$5.00 we will be able to fund this worthwhile project. To donate send a check payable to ASQ Section 0904 to :
